27 April 2017

Dear Parent

I would like to introduce myself as the new Headteacher of Smithdon High School; I will formally take up the position on Tuesday 2 May 2017.

Since my appointment, I have spent a number of days in the school and have been extremely impressed with the attitude of the students I have met. I am determined to provide them with the outstanding education they deserve.

As an experienced Headteacher, I have always valued the partnership between school and home. To ensure that this partnership is successful, I will hold a drop-in session every Wednesday between 9am and 10am. If you would like to reserve an appointment during a session, please contact my PA, Mandy Lake in the school office.

Yours sincerely

Mr S Wilson
Headteacher Designate
