ASDAN		The Personal Development Programmes feature means students must work from their own student book and compile a portfolio of evidence to show what they have done. Students gain 1 or 2 credits for each section completed, with each credit representing about 10 hours of activity. 6 credits are needed to achieve Bronze 12 credits for Silver 13 credits for Gold. Internally-moderated Bronze Credit certificates are available for any learner that completes less than 60 hours work. Students are required to plan and review their work at key points, explaining how they have developed their skills in six areas. There are pro forma recording documents (Skills Sheets) to guide them: Teamwork; Learning; Coping with problems; Use of Maths; Use of English; Use of IT The student book contains the following modules: Completed Davids D
