

## KS3 French Trip

Our Year 7 & 8 students have the opportunity to experience France first hand on our French trip, which takes place in July. The trip is run alongside Springwood High School, which also allows our students to explore and practise their language skills with other local students before they meet the French locals.

Staying at Chateau de Warsy in Normandy, highlights include:

- spending a day in Paris
- visiting a bakery, learning how to make French bread & croissants
- going up the Tour Montparnasse
- taking a boat trip along the Seine.

There are plenty of chances to practise speaking French – buying treats from the bakery is very popular!
