

GCSE Contingency day – 24th of June 2020

The Joint Council for Qualifications (JCQ) have planned a contingency day for an exam (or exams) in the event of an incident and the need arises for them to be rearranged.

This day is Wednesday the 24th of June 2020.

Students and parents are advised that all candidates must make themselves available for this day and to take this into consideration if booking/planning holidays and events.
