Dear Parents

Year 11 Booster Sessions

With this letter, I include our updated Year 11 booster session timetable. In addition, students have been placed in form time subject intervention sessions, which take place every Wednesday and Thursday, this will be revised again shortly.

Students have just completed their second set of PPEs (Pre-Public Exams). They are now receiving feedback in class about what they need to do to gain more marks in future examinations. These booster sessions focus on revision and exam technique allowing students to access structure support to fill the gaps in knowledge, understanding and exam technique identified by the recent exams.

I would like to thank you for your support in encouraging your child to attend these booster sessions. In the meantime, if you have any questions, please do not hesitate to contact me.

Yours sincerely

Mr S Chapman
Assistant Headteacher
