19 October 2020

Dear Parents

Following on from the success of previous years, we would like to offer year 11 parents the opportunity to support their children during the final months of their GCSE courses.

The 'step up' information video is a chance to look at the support strategies available to parents and how these can be utilised to help students with their revision. It will also provide an opportunity for parents to look at the key components of the Mathematics and English curriculum whilst picking up tips on how to get the best from revision materials.

To gain access to this essential resource please go to the following news link on our website.

<https://www.smithdonhigh.org.uk/news/?pid=3&nid=1>

Also included with this letter are the following resources to help your child prepare for the summer exams.

- 50 question booklet
- Learning Scientist 6 valuable/proven strategies
- Subject information booklets

If you have any further questions, please drop in for a live, online Q&A session with Mrs Evans (Head of Mathematics), Ms Wright (Head of English) and myself on Wednesday 21 October at 6pm.

You can join us on Zoom by using the following link.

Join Zoom Meeting
