Dear Parents

Thank you for your support with the students' return to school. They have settled back into school well and are working hard in their lessons.

We are still waiting to receive information from all of the exam boards regarding this Summer's results process. As a result, Year 11 parents' evening will now take place after the Easter Holidays, where we will have additional information to explain the process of awarding Centre Assessed Grades this summer. We will notify you in due course of the date of the parents' evening.

We continue to be impressed with the work ethic of our Year 11 students and know that if they continue to follow their teacher's instructions over the next few weeks, we can all be assured of success this year and students will be able to continue on to their first choice post-16 destinations.

Yours sincerely

Mr J Hirst
