23 May 2022

Dear Parents

I am delighted to inform you that we have received revision guides for all of Year 10 students to have on loan for their Science GCSE's. These will be given out to your child before the half term holiday, so they can be used for revision. They will need to be returned to school on the date of their last Science GCSE in 2023.

I would like take this opportunity to let you know about their forthcoming Science assessments. All students will sit a combined paper which is 75 minutes long. To aid their revision for these assessments 'knowledge ninja's' will be posted on the Google Classroom. These are short retrieval quizzes that are linked closely to the assessment questions. A list of topics for the students to revise for their assessments is also on Google Classroom.

A Science help session is held every Tuesday after school in A16 from 3-4pm.

I would like to wish your child 'good luck' in their upcoming assessments, and if you have any questions please do not hesitate to email [c.pike@smithdonhigh.org.uk](mailto:c.pike@smithdonhigh.org.uk)

Yours sincerely

**Mrs C Pike**  
**Head of Science**
