24 February 2021

Dear Parent

With fewer than two full weeks until our students return to face to face lessons at Smithdon High School, it is more important than ever to make the most of these final opportunities for online learning.

A solid bank of evidence from this point on will only act to enhance the future chances of our GCSE students. Therefore, please encourage your child to attend all live lessons, engage with teachers, and complete as much work as possible during this time. Should there be any barriers to achieving these aims, please ensure that you let us know and we will try to offer support where possible.

We are extremely proud of how the majority of our students are working and know that their efforts will be rewarded. Our students still have sufficient time to build on their knowledge and improve their academic outcomes across the range of their subjects. As we move towards the Easter holidays I would like for our students to maintain the high levels of positivity and resilience they have demonstrated so far.

Further information regarding the exact details of the students' return to school the week beginning 8 March will follow later this week.

Thank you for your continued support.

Yours sincerely

M Knott

Mr M Knott
Assistant Headteacher
