Dear Parent

Year 10 Reports

On the Parent App you will find your child's report, which gives you a summary of their progress at the end of Year 10. If you require access to the Parent App, please email data@smithdonhigh.org.uk

The report includes your child's Attitude to Learning and a test percentage for the recent end of year exams, alongside a current grade based on recent performance in lessons as well as the exams. No exam percentage is recorded where absence prevented a student from completing the exam.

There is a predicted grade, which is what staff would expect your child to achieve at the end of Year 11 given their current rate of progress.

In addition, this report provides a target grade which is calculated based on Key Stage 2 performance and national progress rates. This is the minimum grade that we would expect students to achieve in each subject given expected rates of progress from Key Stage 2.

Please also be aware that the following subjects have not undertaken an exam at this time: -

Art
Health & Social Care
iMedia
Music

If you have any subject-specific queries, please contact the relevant subject teacher or Head of Department.

I will be writing to you in early September with details of Year 11 after school booster sessions and an invitation to attend our Year 11 Revision, Applications and Tutor evening on Thursday 14 September.

I would like to take this opportunity to thank you for your support this year and wish you a really good summer.

Yours sincerely

Mr S Chapman
Assistant Headteacher
