3 March 2022

Dear Parents

We are very excited to inform you that we have the Army Elite Skills Academy running sessions for our Year 9 and 10 students on Friday 11 March, as part of our Careers programme.

Students will be allocated a one-hour session during the day where they will work directly with the Army to develop skills in teamwork and problem solving. These hands on activities will help to develop mental and physical attributes, including leadership, communication skills and mental resilience, whilst helping to build confidence.

The event will also include an interactive presentation, which will give an understanding of the wide range of careers available in the Army, as well as insight into the Army lifestyle, exploring both Officer and Soldier roles, as well as apprenticeship and university sponsorship routes.

Students are requested to bring in their PE kit to wear during the activities, all of which will take place during the school day.

We hope the students will enjoy this opportunity.

Yours sincerely

**Miss S Fairweather**  
**Careers Leader**
