Dear Parent

Re: Half Term Online Science Revision Sessions

I am writing to inform you about the Year 11 Science revision sessions we are running during half term which will be online using Google Classroom.

The sessions will run on Tuesday 15 February at the following times:

Biology 11-12am
Chemistry 12.30-1.30pm
Physics 2-3pm

To join please use the link: <https://meet.google.com/ego-mhrf-dvw>

Each session will focus on exam technique and specific specification points that students struggle with. This will give the students confidence as they go into their Paper 2 Pre-Public Examinations. The sessions will be recorded so that students are able to revisit the session. If possible we would like students to attend all three sessions.

Your support in encouraging your child to attend these sessions is greatly appreciated; if you wish to discuss this further please do not hesitate to email c.pike@smithdonhigh.org.uk

Yours sincerely

Mrs C Pike
Head of Science
