Dear Parent

Re: Year 10 Reports

On the Parent App you will find your child's report, which gives you a summary of their progress so far in Year 10. If you require access to the Parent App, please email data@smithdonhigh.org.uk

The report includes:

- your child's Attitude to Learning Grade
- a Test Percentage for the recent exams (No exam percentage is recorded where absence prevented a student from completing the exam)
- a Target Minimum Grade, which is calculated based on Key Stage 2 performance (this is the minimum grade that we would expect students to achieve given expected rates of progress from Key Stage 2).
- a Predicted Grade, which is the grade we would expect your child to achieve in the final exams, given their current rate of progress.

Grades are given with a sub-grade (a, b or c). A sub-grade of 'a' means that the student's grade is secure; a sub-grade of 'b' means that this is the probable grade and a sub-grade of 'c' means that grade is currently insecure.

Please also be aware that the following subjects have not undertaken an exam at this time: -

Art
Health & Social Care
ICT

Due to a focus on English literature in the autumn term, there is no report for English language, we will be reporting on English language and English literature in the next Year 10 report.

Due to staff illness we are unable to report more than just the test % scores at this time for 10A/En1 and 10BEn3 and we apologise for any inconvenience caused.

If you have any subject specific queries, please contact the relevant subject teacher or Head of Department.

I would like to take this opportunity to thank you for your support this year and I look forward to seeing you at the **Parents' Evening on Thursday 23 February**.

Yours sincerely

Mr D Ward
Senior Teacher
Head of Year 10

The Cambridge
Partnership
Graduate Teacher Programme
