16 November 2021

Dear Parents

Re: BBC Children in Need – Friday 19 November 2021

As you may be aware Friday 19 November is BBC Children in Need fundraising day.

We are marking this day in school by asking students to wear something small and SPOTTY on this day, such as socks (worn visibly and noticeably, contrary to our normal policy), a scarf, a badge or a hairband to show their support. Students must wear their school uniform as normal.

You will also be able to make a small donation of £1.00 (minimum) to this excellent charity by logging into your ParentPay account, selecting 'Pay for other items' for the child you are donating on behalf of and clicking on 'View' for the Children in Need payment item.

This year's theme is "Together We Can..." make a difference and change young lives by raising money, which goes towards a variety of causes for children, including:

- £50 can provide a 1-2-1 counselling session to provide a child with resilience to face their experiences;
- £200 can provide a residential weekend for a teenager with a diagnosed illness to spend time away with peers who are experiencing similar issues, to explore their feelings and develop coping strategies;
- £300 can provide palliative care for a family of a child with a terminal illness, so they can enjoy valuable time together

If we all do just our small part with our £1 and fun take on a spotty addition, together we can help to change a child's life.

Thank you for your support.

Yours sincerely

A. Gibbins
