Dear Parent

### **Year 11 Pre-Public Examinations (PPEs)**

Thank you for your continued support of our Year 11 students this term. Students are currently working hard on their knowledge and understanding in readiness for the second round of Pre-Public Examinations (PPEs) that will take place in Year 11. These will commence on Thursday 26 January 2023 running up to the half term break.

It is important to mention that these results will be the most up to date pieces of evidence that will be used for post-16 interviews and therefore must be given the attention they deserve. It is also essential that students use this exam practice well and receive feedback in readiness for the final Summer GCSE examinations.

Included is a timetable for the PPEs, so that your child is able to prepare well and ensure that a solid foundation of revision is in place. Furthermore, to support your child in their PPEs, please encourage them to make good use of the following resources that are readily available:

- Revision Guides/GCSE POD
- 50 fact booklets (Website)
- Learning Scientist (Website)
- Exercise books
- Co-Curricular clubs in and around school
- Revision Strategies booklet recently issued to students

We wish your child every success in these exams and we know that with your support they will have every opportunity to perform well.

Yours sincerely
