Dear Parent

Re: Year 10 reports

On the Parent App you will find your child's report, which gives you a summary of their progress at the end of Year 10. If you require access to the Parent App, please email data@smithdonhigh.org.uk

The report includes your child's Attitude to Learning and a test percentage for the recent end of year exams, alongside a current grade based on recent performance. In addition, this report gives a target grade which is based on Key Stage 2 performance, this is the minimum grade that we would expect students to achieve given expected rates of progress from Key Stage 2. No exam percentage is recorded where absence prevented a student from completing the exam.

Please also be aware that the following subjects have not undertaken an exam at this time:

Art
Health & Social Care
ICT
Music Rock School

If you have any subject specific queries, please contact the relevant subject teacher or Head of Department.

I will be writing to you in early September with details of Year 11 after school booster sessions and an invitation to attend our Year 11 Revision, Applications and Tutor evening on Thursday 15 September.

I would like to take this opportunity to thank you for your support this year and wish you a great summer.

Yours sincerely

Mr S Chapman
Assistant Headteacher
