Dear Parents

Re: Smithdon Literary Festival

We are excited to announce a special event as part of Smithdon's Literary Festival. On Tuesday 11 March we will be welcoming the author Dan Freedman to the school. He will be visiting all Year 7 and Year 8 students to share his passion for writing, storytelling and football.

As a renowned author and football journalist, Dan Freedman will be engaging with students through an interactive session, where they can learn more about his writing journey and the inspiration behind his stories. To make this occasion even more memorable, Dan will be hosting a book signing at the end of each session giving students the opportunity to have their own copy of his book signed by the author himself.

For those interested in purchasing his books, they are available on Amazon and we encourage you to explore them as a way to further inspire your child's love for reading.

We are looking forward to a fantastic event and know that our students will benefit greatly from this unique experience.

If you have any questions, please do not hesitate to get in touch.

Yours sincerely

Miss M Taylor
Librarian
