11 July 2025

Dear Parents and Students

For the last two days of this term, Monday 21 and Tuesday 22 July, we are putting on some fun activities, free of charge.

Monday 21 will be Sports Day.

This year the activities will be spread over the whole day and include a wider range of sports to get everyone involved. Students are competing for their houses and are therefore invited to come to school in their PE kit but wearing a top in their house colour (if they don't have an appropriate coloured T shirt students should come to school in normal PE kit and we will provide coloured bibs). Students have been told their house colours and should check with their form tutors if they have forgotten.

Ice pops and cakes will be on sale during the day so students are invited to bring some cash with them for this.

Tuesday 22 will be Smithdon Fun Day.

Periods 1-3 will be activities held in tutor groups, including an interform Dodgeball Competition. Lunchtime is a picnic lunch where students are able to purchase a picnic box with burger or nuggets and chips, or bring their normal home packed lunch, and take these outside to eat.

Periods 4 and 5 students will have the opportunity to enjoy a number of inflatables, from Infla-bubbles, on the field along with other games and music. There will also be an ice cream van on site so students will need to bring some money with them if they would like an ice cream.

Students are invited to bring in picnic blankets and some cash for ice creams. Students can also donate £1 on the gate to come in non school uniform for this day but must be suitably attired for using the inflatables, no cropped tops or mini skirts/hot pants.

We hope students will enjoy this rewarding and relaxing end to the academic year.

Yours sincerely

Mrs S Robinson
Deputy Headteacher

Mr J Tilley
Head of PE
