Dear Parents

For the final weeks of this term, staff have prepared a series of Year 10 lessons to specifically deliver new content prior to the end of term. This will be supplemented by weekly online feedback sessions where staff will go through answers to questions and students will have the opportunity to ask questions about the work that they are doing.

A full timetable of the online sessions, which start on Monday 22 June can be found below. Unless specified, sessions are open to everyone studying the subject. Prior to the session, students will be emailed an invitation to the meeting. When accepting the invite, the meeting will be added to student Google calendars. They click on the Google Meet link to join the meeting either through their calendar or from the original email. There will always be two members of staff present at any session.

Students do not have to have their webcam switched on to listen to the session. Students can use their webcam at the session, however, if they would rather keep their camera switched off, they can still listen to the feedback and view presentations on the screen. When staff are presenting material, students will be asked to turn their microphones off.

	Monday	Tuesday	Wednesday	Thursday	Friday
9am to 10am			RE		
10am to 11am	GCSE PE	German	Maths Set 2 Mr Towle	Music	Health and Social Care
11am to 12pm	English	Maths Set 3 Mrs Evans		ICT	Science (Starts 3 July)
1pm to 2pm	History	Drama		Art	DT
2pm to 3pm	Geography				

I hope that students will find these sessions useful. Given the in-school provision that is currently being planned, it is likely that this timetable will change in the following weeks, where that is the case a new timetable will be issued.

Yours sincerely
